Coming Promotional Event – BETT in London 2010

We are pleased to inform you that Sun-Tech is going to participate in **BETT**, the world's largest educational technology event, which will be held in January, at Olympia, London. All the visitors coming from the world can easily grasp the opportunity to understand more about Sun-Tech as all up-to-date educational technology products will be presented at the exhibition. Not only first-hand Touch and Test, but also interactive Experience Sharing are ready for you. Let's discover the latest ways to use technology for teaching and learning at Sun-Tech's Booth and we truly hope to **see you at BETT 2010, Jan 13-16 - Booth H12.**

Heading to New Products

As a pioneer in the field of educational technology products, Sun-Tech always keep moving and keep going to strike for improvement and innovation. As a result, we have put numerous resources into products development. Sun-Tech believes all the up coming new products will impress and benefit you in a great extent; easy to prepare teaching material; easy to have interactive lesson; and easy to take care of each students; Teachers and Presenters no longer need to spend much time on trivial issues, but focusing on real education by the aid of our products. Wait and See what kind of surprises we are going to launch.

Finally, we would like to thank again for all your continuous support. Hope that you could get updated information about our current development and future prospect through this newsletter.
