

Invitation to GESS 2011

As an internationally recognized manufacturer of educational technology products, Sun-Tech is not only focusing on product development but always steps forward globally by participating in various ICT shows for market expansion. We are pleased to announce that our next stop is GESS 2011, which will be held on 3rd – 5th May at Airport Expo, Dubai, UAE.

We are honored to inform you that Sun-Tech is going to present a **Workshop** during the exhibition, with the topic **“Introduction of Classroom Management & Digital Language Laboratory Solution”**. Sun-Tech’s ICT profession will provide experience sharing gained from various projects in a problem-solving aspect. With our in depth knowledge and comprehensive presentation, teachers and audience can easily understand how IT can influence education and improve the efficiency and effectiveness in teaching and learning.

In addition, another important mission of attending GESS is to showcase all the latest educational technology products from Sun-Tech. Please don’t miss the chance of experiencing the 3 brand new features, Lesson Reminder, Lesson Recorder and New Quiz Module of the latest **XCLASS EVO** as well as having a face-to-face discussion with us. Simply come and visit us in GESS 2011, we look forward to meeting you at our **Booth H14!** For more information, please contact us at sales@suntechgroup.com.

Proudly Present “Sun-Tech I.T. Solutions Ltd”

Due to the recent expansion and restructure of Sun-Tech International Group Ltd, we have newly established a subsidiary named **Sun-Tech I.T. Solutions Ltd** to cope with our business growth with immediate effect. We will continue our current operation in the development of education technology and Sun-Tech International Group Ltd is acted to be our parent company from now on. Please do not hesitate to contact us for any enquiry regarding to the

organizational change.

Let us take this opportunity to thank you once again for your prolonged support to Sun-Tech. All of you are contributed to our success, sincerely hope that we can keep the good work and strive for greater achievement in the coming future.
